

Adela Mamedli

Hello! My name is Adela. I shall be your guide during the time of the International Chemistry Olympiad. I am studying petrochemistry in the Chemistry Department of MSU Baku Branch. Now I'm a master. Every term I visit Moscow for practice in order to do my graduate work. I like listening to music, reading books, drawing, visiting new interesting places. My dream is to travel all over the world and discover the most interesting cultures of different countries. I believe that you will like Azerbaijan, its culture and people. I wish you good luck at the Olympiad, interesting time in Baku and many fascinating meetings. See you at the Olympiad in Baku!
