

## Afa Gojayeva

Hello! My name is Afa. I shall be your guide during the International Chemistry Olympiad. I am studying in Baku branch of MSU in the faculty of Romance and Germanic philology and my main language is Italian. I like learning foreign languages and reading books, I think it is the best way to learn any language. My favorite genres are detective stories and fantasy, I really enjoy reading them. Also I like teaching. I teach Italian language for beginners. I prefer spending my free time with my family and my friends. I wish you good luck, best scores, high results and pleasant pastime in Baku. I hope you'll get new and indelible impressions and gain new friends. See you at the Olympiad!
