

Ali Mustafaev

Hello! My name is Ali. I shall be your guide during the time of the International Chemistry Olympiad. I study spanish language and european literature in the Philology Department of MSU Baku branch. My hobbies are music and poetry. Art plays a significant part in my life. I live in Baku, and I think that it is the one of the best cities in the world! This city is full of positive energy, romantic sceneries and sightseeing places. Azerbaijanians are famous for their hospitality. Welcome! I hope you will have a good time in our city! I wish you good luck at the Olympiad!
