

Aysel Aliyeva

Hello. My name is Aysel and I am going to be your guide during the International Chemistry Olympiad which is will be held in my motherland, Baku. Let me give you some information about me. I graduated chemistry faculty of Lomonosov Moscow State University Baku branch. At present time I am studying in Azerbaijan State Oil Academy in the faculty of oil and gas chemistry. I want to continue my education in this area and thats why I applied to the postgraduated program in Manchester University and i will start my study there in September 2015. Besides chemistry I am interested in sport, swimming and big tennis are the best kind of sport for me. Moreover, I have different types of hobbies and one of my favorite is drawing. I am self- confident, positive and social person, so i think that it will be an interesting time for us during the Olympiad. I wish you all best of luck, nice meetings and I hope that it would be a great time for us. See you at the Olympiad. Best regards, Aysel Aliyeva.
