

Chinara Gurbanova

Hello! My name is Chinara and I shall be the guide of your team at the International Chemistry Olympiad. I graduated from the Department of Chemistry of MSU. And now I work as the expert in technical office in construction company. In the free time I have a rest with my friends. We are pleasant to go Old Baku. That is why I know Baku very well and I shall show you beautiful places of Baku 😊. Also I am fond of cookery especially I like to bake sweets. Sport is my life. I wish you good luck at the Olympiad, saturated pastime in Baku and new interesting meetings. See you in Azerbaijan!
