

Diana Praga

Hello! My name is Diana. I shall be your guide during the time of the International Chemistry Olympiad. I'm a student of the Philology Department of MSU, Baku Branch. I live in Baku and I really like this city. I like to read books, to travel, to make new friends and to help people and animals. In my free time I also like watching Old-school movies. My hobby is learning new languages and cultures. Literature plays an important role in my life, especially world literature of the nineteenth century. I wish you good luck at the Olympiad, interesting time in Azerbaijan and many fascinating meetings. See you at the Olympiad in Baku!
