

# Milana Agayeva

Hello. My name is Milana. I am a 3rd year student in the chemistry faculty at Moscow State University Baku branch. I will be your guide during an Olympiad. I will be glad to acquaint you with history and today of my Baku that I love. I like reading books, watching movies on TV, listening to music like pop, classical, or contemporary. Swimming, playing basketball are my favorite hobbies. I have participated in IChO too, so your caring and difficulties are understood by me. In the period of the Olympiad. I will try to be your friend and to do everything that you spend time usefully and interestingly and come back to the motherland with the best remembrances about Azerbaijan and about the kind people here. I wish to you success the Olympiad. Look forward to meeting!
