

Nigar Aydinbekova

Hello! My name is Nigar! I shall be your guide during the time of the International Chemistry Olympiad. I am studying at the Philological Department of MSU. I love literature very much. My favorite writer is L.N. Tolstoy. I have practised music for 7 years (play a piano) and professional dancing classes for 10 years. I am very sociable. It is very pleasant to me that I will accompany you. I wish you good luck at the Olympiad, interesting time in Baku and many fascinating meetings. See you at the Olympiad in Baku!
